

How to access your athlete, coach or officials England Athletics portal.

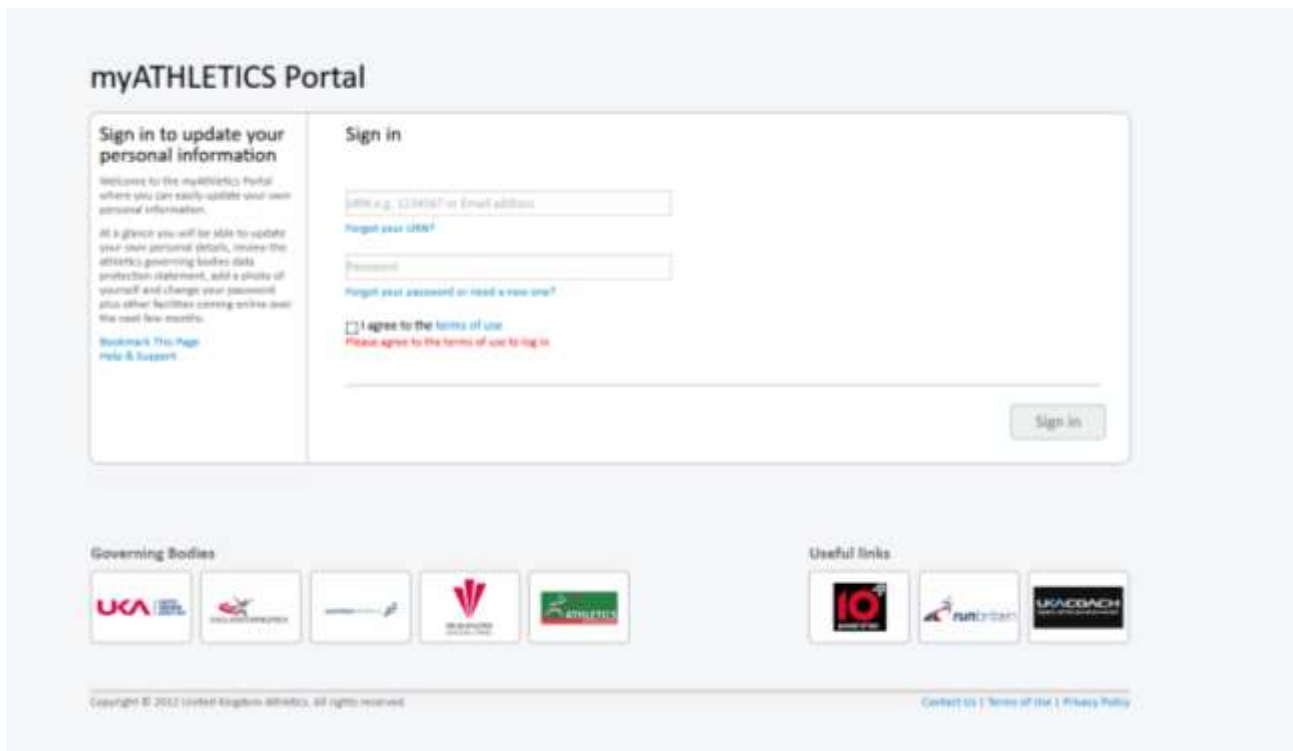

Every athlete who is a member of the club is registered with England Athletics (this is done by the club annually in April for those in the U13 age group and above who are competing athletes).

In addition coaches and officials can also access their portal in the same way.

Go to the England Athletics home page <https://www.englandathletics.org>

Click on the myAthletics Portal link on the right hand side of the home page.

This will take you to the sign in page like this

The screenshot shows the 'myATHLETICS Portal' sign-in page. On the left, there is a section titled 'Sign in to update your personal information' with a welcome message and instructions. The main area is titled 'Sign in' and contains two input fields: one for the URN (e.g., 1234567) or email address, and another for the password. Below the password field is a link for 'Forgot your URN?' and another for 'Forgot your password or need a new one?'. There is a checkbox for 'I agree to the terms of use' and a red warning 'Please agree to the terms of use to log in'. A 'Sign in' button is located at the bottom right of the form. At the bottom of the page, there are sections for 'Governing Bodies' (UCA, British Athletics, etc.) and 'Useful links' (10, runtribe, UKACBACH). The footer contains copyright information and links to 'Terms of Use' and 'Privacy Policy'.

Your username is your EA number (URN) which you should all know. If you don't please ask Jayne. You may have been sent a password previously. It should still work.

If you don't remember what it is - [Click on Forgot your password or need a new one?](#)

You will then be sent an email to the email address you have given us on your membership. If you don't get one contact Jayne and she can change your email on the system to the correct one.

If you don't have an email address we can use the generic club one.

On the email you receive it will tell you how to reset your password. You can then log in using this new password.

You can set your personal details, contact details, preferences and access your benefit page. By altering your preferences you can decide on what you receive as a email.

Please contact Jayne or Keith if you need help on reedy41c@googlemail.com
